

**INDIANOIL PETRONAS
PRIVATE LIMITED**

About Us

IPPL is a joint venture between two FORTUNE 500® oil majors - Indian Oil Corporation Limited, India, and Petroliaam Nasional Berhad (PETRONAS), Malaysia.

IPPL is a leading supplier of LPG in the country, particularly in the Southern and Eastern India. Our state-of-the-art terminals at Haldia, West Bengal, and Ennore, Tamil Nadu, enable us to serve the Bulk, Packed, and Auto LPG segments efficiently.

IPPL has successfully established over 56 state-of-the-art Auto LPG Dispensing Stations (ALDS) under brand name 'PROPEL' in Karnataka, Tamil Nadu, West Bengal and Telangana.

Recognizing the need for economical and eco-friendly fuel alternatives, IPPL is committed to promoting Auto LPG as a preferred choice for passenger vehicles and commercial fleet in India. We have ambitious plans to expand our Auto LPG station network across the southern region of the country.

Auto LPG, a remarkable vehicle fuel, presents an immediate and practical solution to improve air quality, particularly in urban areas. It also plays a crucial role in mitigating climate change, making it an environmentally conscious choice for conscientious consumers.

We invite applications for dealership from individuals, non-individuals, and partnership firms with a sound financial background and access to land (owned or leased).

Contact us today to explore exciting dealership opportunities and contribute to a greener, cleaner tomorrow.
